Week 3 Database Assignment

File: week3.sql

```
-- Week 3 Database Assignment

USE sales;

-- Question 1: Create the student table
CREATE TABLE student (
    id INT PRIMARY KEY,
    fullName VARCHAR(100),
    age INT
);

-- Question 2: Insert at least 3 records
INSERT INTO student (id, fullName, age)
VALUES
(1, 'Abdirahman Yahye', 30),
(2, 'Ahmed Ali', 19),
(3, 'Mohamed Hassan', 21);

-- Question 3: Update the age of student ID 2
UPDATE student
SET age = 20
WHERE id = 2;

-- Verify the records
SELECT * FROM student;
```
